

CARE & MAINTENANCE

Manufacturer Furniture is made from HDPE a recycled plastic that will never need painting or staining, it will not rot or splinter, and it has an added UV inhibitor to resist fading. HDPE is unaffected by most corrosive substances, and will not absorb moisture or promote bacterial growth. To maintain the original finish, clean regularly with soap and water. We have found that using a pressure washer (Not exceed 1,500 psi which is the same as a carwash. Any higher can damage the plastic) and a product called "Greased Lightning", found at your local home centers, to be most effective on stubborn stains.

WARRANTY

Manufacturer warranties to the original purchaser, the furniture to be free from original defects in material and workmanship for a period of five years for residential use and three years for commercial use from the date of first purchase. Manufacturer will, at its option, repair or replace the defective furniture or refund the purchase price. This warranty does not cover any furniture which has been misused, improperly assembled, repaired or altered by anyone other than Manufacturer, or furniture damaged by exposure to the elements or by storm, hail, fire or flood. This warranty does not apply to the hardware used to assemble the furniture. We reserve the right to modify or discontinue any item, color or terms without notification.
