

1350 Sq. Large Group Park Grill with Utility Shelf  
Item #: 136-1024

- Two spacious cooking grates tip back to allow easy fire building
- Cooking grates supported by formed side edges and steel angles on ends which also reinforce firebox
- Single large fire grate mounted in die-cut slots easily adjusts to four levels under cooking grates
- Front edge of fire grate formed up to prevent charcoal or logs from rolling off
- Integral ash retainer flange combats heat warpage and prevents ashes from falling from the firebox
- Firebox reinforcing gussets on underside
- Theft-proof base attachment
- Full 360° rotation for draft control
- Public use-type spring grips of coiled steel bar
- Second utility shelf option
- Quality construction throughout
